Purpose Overview
Wisconsin Singers is a collegiate entertainment troupe, featuring talented singers, dancers, instrumentalists, and stage technicians from the UW campus regardless of major. The program is focused on mounting Broadway-caliber productions, delivering hands-on educational and performance opportunities, and making a positive impact on the statewide community and beyond.

Wisconsin Singers is part of the Community Engagement unit within the Social Education Area of the Wisconsin Union. As such, Wisconsin Singers fulfills the mission of the Wisconsin Union by building community through educational, social, and recreational opportunities created through a student-staff partnership.

Wisconsin Singers trains students in entertainment management and the performance art of popular music, while ensuring that concert sponsors and audiences are always treated to a professional quality music event that reflects the excellence of the UW campus. Working alongside hired music-industry professionals, students are involved in many of the elements of mounting and touring a professional production including the planning and facilitation of rehearsals and on-site workshops, creating effective marketing materials, managing business and backstage operations, and organizing touring logistics.

Values
Education: to provide a quality educational experience in popular music genres and entertainment management to UW students of any major.

Community Engagement and Service: to build relationships with audiences, sponsors, UW alumni, and statewide arts organizations as representatives of the Wisconsin Idea throughout the state and nation. Students experience the importance of using their talents to benefit communities beyond campus borders by helping service organizations raise funds for their own community initiatives, sharing the stage with local student performers, and volunteering their time to provide music and pre-college-focused workshops for K-12 students.

Professionalism and Public Relations: On campus and beyond, students promote the positive and professional image of the Wisconsin Union, UW and the Wisconsin Idea through quality music performance, and respectful and meaningful interaction with audiences, sponsors, guest performers, and workshop participants.

Lifelong Connections and Enjoyment: to develop lifelong friendships based on the importance of inclusive communication and compassion for each other within the troupe, while creating a fun and exciting experience for students, audiences, and alumni.
