Affirmation of Risks

I have read the safety rules and regulations posted in the Outdoor UW office. I understand the potentially life-threatening risks posed by improper usage of paddle-crafts, camping/hiking/snowshoe equipment and the failure to follow proper safety practices, which can include injury or death. I accept these risks on behalf of myself (and on behalf of my minor child, if applicable).

I further understand that I am ultimately responsible for my own safety (and my minor child’s safety). I agree, for myself, my heirs, personal representatives or assigns, and my minor child if applicable, to defend, hold harmless, indemnify and release, the Board of Regents of the University of Wisconsin system, its officers, employees, agents, from and against any and all claims, demands, actions, or causes of action of any sort on account of damage to personal property, personal injury, or death which may result.

I further agree that by acknowledging these risks and affixing my signature below that this assumption of risk applies for the entire 2017 rental season.
