**Society and Politics
Committee Director**

Overview

- This position is a volunteer, leadership position with the Wisconsin Union Directorate, student programming board.
- Each committee of the Wisconsin Union Directorate is committed to amplifying the voices of underrepresented communities through thoughtful and deliberate programming that targets societal issues. WUD leaders have an obligation to use the privilege of our organization and the power of our positions to continually educate ourselves and provide the same opportunities to our communities.
- Successful applicants for WUD Leadership positions will communicate a commitment to social justice during the interview process and, upon selection, commit to continually highlighting inequalities due to racial, environmental, societal, and any other type of discrimination that our campus, country, and global communities face through their committee processes and programming efforts.
- Given the significant time commitment of WUD Committee Director positions (20 – 25 hours, weekly), a stipend is provided to increase the likelihood these volunteer leadership positions are accessible to all students. An academic stipend includes 60% of yearly in-state tuition based on the prior year and will be distributed at the beginning of each semester. Additionally, \$50/month is provided for 8 months in gratitude for each students' service, as is Lifetime Union Membership upon completion of their terms.
- WUD Committee Director Positions run May – May yearly and include one mandatory, two-day training in August.

Committee Purpose
