Outreach

Wisconsin Union Directorate Society and Politics is a non-partisan group of students that make it easy for people to talk, listen, and learn about the current events and challenges facing society. Committee members program all types of events on campus covering a wide range of topics. We also have weekly engaged, respectful discussions on current topics from 8-9pm during the academic year (skipping breaks) in the Memorial Union. Bringing together diverse students, faculty, staff, members and guests with a rich range of values and ideas allows us to get to know and understand one another. Throughout the process, students learn about themselves and the world around us while also building long-lasting friendships.

Position Responsibilities:
This year, our focus is on building our directorate into a community. As the Outreach AD, most of your responsibilities are going to be aimed at making this goal into a reality. Your tasks will include:

● Reaching out to possible guest speakers, other student organizations and various WUD committees, as well as our members.
● Designing and printing flyers for our weekly discussions and other events.
● Handle editing and posting our committee’s podcast, SPARK, to our RSS feed biweekly.
● Foster an open environment within the committee, where all members are able to share and discuss their thoughts and disagree in a civil manner

Commitment: 4-10 hours/week
Term of Office: September 2020 – May 2021
Stipend: $30 (TBD) on Wiscard per month (for 8 months)
