Sources and Uses of Wisconsin Union Funds

The Union's proposed 2019-20 operating budget of $58 million in revenue comes from a combination of self-generated program revenue from our dining, catering and other retail operations as well as student segregated fees and other smaller revenue sources such as conference revenue, membership sales and private support. The following two graphs illustrate where the funds come from as well as how they are used. As noted below, these figures include $7.65 million in segregated fees for the Union Building project approved by a student referendum in 2006. Per the referendum language, the per student commitment for the building project is set at $96/semester and does not change from year to year.

- **Other Revenue, 7%**
II. 2018-2019 Estimated Actual

Overall, a minor deficit of -$1,162 was originally budgeted for '18-19. Currently, a surplus (net income) of $481,069 is projected for fiscal year 2018-19. This favorable change in projection is primarily due to delays in equipment purchases and maintenance projects, lower than projected student wages due to challenges in hiring student employees and stronger segregated fee income due to higher enrollment than projected. This projected surplus in FY19 will help to improve the Union's reserve balances, which have been running below best-practice guidelines for the past few years, largely due to the Union building project.

III. Proposed Budget for 2019-20 – Assumptions & Significant Factors

The 2019-2020 budget reflects the following assumptions:

- The new and expanded Terrace Stage will continue to feature integrated sound and lights and host two evenings of free films and bands/live music four nights a week. Programming will also continue to include daytime programming and integrate with Alumni Park.
- Additionally, Terrace programming will continue to include arts activities, free board games, morning yoga classes and a concierge service to help patrons navigate Union facilities and services.
- With the completion of Alumni Park, the fully accessible Terrace now integrates with Alumni Park.
- The redesigned floors one through four at Memorial Union provide spectacular views and access to Lake Mendota and Alumni Park. Additionally, the number of restrooms has doubled including the addition of one more unisex restroom.
- New dining units that opened in January 2017 will continue to grow. They include Peets Coffee & Tea directly off the main entrance, with views and access to Alumni Park as well as Badger Market, a fresh salad and sandwich concept named Carte, Italian street food offered in Strada, an expanded Daily Scoop (twice the size of the original space) includes baked goods and of course the Rathskeller has returned with refreshed pub-style food.
- A continued active membership sales program including at least four Union member events.
• A new Social Justice Hub located at Union South and staffed by a program advisor and student intern.
• Opening of the new Tong Family Marina in May, 2019 allowing greater access to the lake by more students and Union Members.
• Re-build traffic at Union South: Based on information gathered in a spring 2018 study of Union South, funding to refresh the Union South dining operations and to make other facility improvements are included in this budget.

• A minor surplus (net income) of $1,887 is anticipated for the 2019-20 budget year. This budget reflects the impact of increasing the remaining Union student wages to $10 per hours, the impact of a 3% overall wage adjustment for permanent staff as well as the projects to update the Union South dining and facility operations.

• Operating Revenue:
  o Budget assumes continued strong traffic flow resulting in strong dining & retail service revenue at Memorial Union in the new dining operations
  o Steady and improving traffic at Union South as well as continued strong performance on the newly renovated Union Terrace is also expected.
  o New café locations help to boost dining revenues, including a coffee house at the Chazen and a new Mediterranean street food concept named Saffron, located in the Discovery Building.
  o Expanding the Union’s retail and merchandise program through an improved online presence and additional locations on campus.
  o Catering revenues are expected to be strong with both Union buildings fully open (following the construction projects. Additionally, strong projected out-of-building catering revenues combined with catering opportunities for Alumni Park/One Alumni Place are expected to further boost catering revenues.
  o Conference rental revenue is expected to remain strong.
  o Continued strong customer counts at both Union South as well as the recently renovated Memorial Union guest rooms help to maintain strong Hotel revenue projections in fiscal year 2019-20.

• Other Revenue
  o Proceeds from the UW Credit Union partnership on ATMs.
  o Rental payment for UW Credit Union leased space at Union South.
  o Proceeds from Campus Vending agreement and Union Sponsorships.
  o Proceeds from strong Union membership program.
  o Continued support through private fundraising.
  o Segregated Fee funding to support the Union’s operations as well as funding for the Union Building Project approved by student referendum in 2006

• Salary/Wage/Fringe: A reserve of 3% of the salary line has been set aside for possible wage adjustments in fiscal year 2019-20 for permanent staff. In addition, a reserve for possible future merit and/or equity adjustments is also included.

• Salary/Wage/Fringe: Per campus instructions, provisions have been made for a change in the hourly rate for classified staff and TEs who currently make less than the living wage.

• Student wages budgeted for FY20 include funding to increase the rest of the Union student employees to a starting wage rate of $10. Student employees in the restaurants and facilities division already received this increase during FY19, therefore funding to move the remainder of the student staff to a $10 starting wage is included in this FY20 budget.
- The FY20 budget includes approximately $3 million in State and UW assessments for common systems and institutional support costs, including an increase in the Centralized Services Assessment from 5% to 7%.

- Equipment Additions/Major Repairs/Maintenance/Building Additions include:
  - Updates of the Union South Restaurants
  - AV replacements in Union South’s Varsity Hall and Marquee Theater
  - Carpet replacements in numerous public spaces at Union South
  - Meeting room refreshes at Union South
  - AV upgrades in the Red Gym meeting rooms
  - Renovation of 30 rooms at the Union South Hotel
  - Badger Market upgrades at the MedSci and HC White deli locations
  - Replacement of climbing wall landing mat at the Sett Rec (Union South)
  - Various Memorial Union maintenance projects (sump pump replacements, tuckpointing, roof overhang repairs)
  - $255,868 Wisconsin Union contribution to the Building Project in FY20

- Salaries, wages and fringes are increased $588,581 in the FY20 budget versus FY19 to fund a possible 3% permanent staff wage adjustment as well as fringe benefit increases per campus guidelines. An additional $186,000 is included in the budget to fund an increase in the starting student wage rate for the remainder to the Union’s student employees not already starting at $10. The FY20 Misc SWF budget includes a $230,500 staff vacancy turnover assumption.

- Continued funding for expanded student hours in the theater box office to cover VanGalder Bus ticket sales beginning at 8:00 am Monday – Friday.

- Wisconsin Union continues to support student leadership and programming through the Wisconsin Union Directorate. The FY20 budget reflects the return of $37K of support for the Wisconsin Union Directorate programming funded with accumulated gift funds in FY19, as well as a $50,000 increase to the Distinguished Lecture Series Committee’s budget to help the committee attract prominent speakers to campus.

IV. Segregated Fees

The FY20 budget includes a request to increase student segregated fees by 2.0%, resulting in a projected $3.84 per student per semester increase. This will be used to fund a portion (28%) of the permanent staff and student staff wage increases.

V. Summary & Outlook

The outlook for 2019-20 is very positive now that the building projects are complete. The Union’s commitment to students is represented by our ongoing focus on keeping Union programs and services relevant as well as our focus on providing affordable services for registered student organizations. The FY20 budget represents the Union’s continuing commitment to its student-staff partnership that is represented through Union Council, the Wisconsin Union Directorate, the Hoofer Outdoor Clubs, and the role students have played throughout the entirety of the planning for the Union Building Project.
