Thank you for choosing to stay at the Wisconsin Union Hotel. We are looking forward to your visit.

During your stay, the parking garage under Union South, where our reserved parking spaces are located, will be closed for maintenance. Reserved spaces will therefore be located in Lot 17, less than a quarter mile away from the hotel.

Our recommendation is that, on the day of your arrival, you come first to the circle drive located at the intersection of W. Dayton and N. Orchard Streets. Come inside to check in, bringing your luggage with you. Along with your room keys, we will give you a parking pass and directions to Lot 17. The reserved spaces will be marked with the sign pictured below. We will hold your luggage at the front desk while you park.

We hope this will not present a significant difficulty to you during your stay. If you have any concerns, please contact us as soon as possible to discuss what options may be available.

Again, thank you for choosing the Wisconsin Union Hotel. We look forward to having you as our guest!

Warm Regards,

Wisconsin Union Hotel and Club Suites
