Responsible Office: Wisconsin Union

## **TIME, PLACE AND MANNER REGULATIONS OF EXPRESSIVE ACTIVITIES IN WISCONSIN UNION FACILITIES**

### **Rationale/Purpose of the Policy**

The Wisconsin Union is dedicated to the principles of free speech and free expression as protected by the First Amendment of the U.S. Constitution and considers that dedication to be an essential part of its educational mission. Fulfilling that mission requires that the Wisconsin Union robustly protect the opportunity of our community to engage in expressive activity in a variety of ways. We also have the responsibility to ensure that teaching, research, scholarship, service, and university-sponsored events can occur in a safe and orderly manner without disruption and in a manner that is open and welcoming. It is entirely consistent with the First Amendment for the Wisconsin Union to impose reasonable restrictions on the time, place, and manner of expressive activity (e.g., events, protest, demonstrations; see definitions below) within and upon its facilities. These robust protections alongside reasonable restrictions work together to ensure the Wisconsin Union can fulfill its obligations under the First Amendment alongside its responsibilities to our educational mission, and to a safe and functional environment for teaching, research, and learning for all our members, students, faculty, and staff.

This policy thus strongly affirms the Wisconsin Union's commitment to the free and open exchange of ideas through expressive activity and protects the rights of individuals in and upon our facilities to engage in expressive activity consistent with the U.S. and Wisconsin Constitutions. It also sets forth rules that support a safe environment, protect university and private property, and promote the orderly and efficient function of the university's teaching, research, and public service missions as well as ongoing and necessary operations.

This policy shall never be enforced in a way that discriminates against the viewpoints held by members of the university community. Nor will it be enforced in a manner that discriminates against any protected characteristic under non-discrimination laws applicable to the Wisconsin Union.
